HOMECOMING QUEEN — Mava Callis

HOMECOMING COURT AND QUEEN

The members of the Homecoming court, along with all of Mathews County, waited anxiously for the half time football game ceremonies and the crowning of the Homecoming Queen.

Lovely Mava Callis had been selected by her schoolmates for the coveted title. Mr. Ward, principal crowned her "Queen Mava" as her court and friends watched.

The football game between Mathews and Charles City ended in a defeat for MHS.

The festivities continued through the Homecoming dance where many students and alumni enjoyed themselves to the spirited beat of "Autumn."

SENIOR DAY

Senior Day was the first in the final Senior Activities. The Senior Assembly began at 9:00 a.m. Many Seniors received awards, certificates and scholarships from economic clubs and organizations in the school and the community.

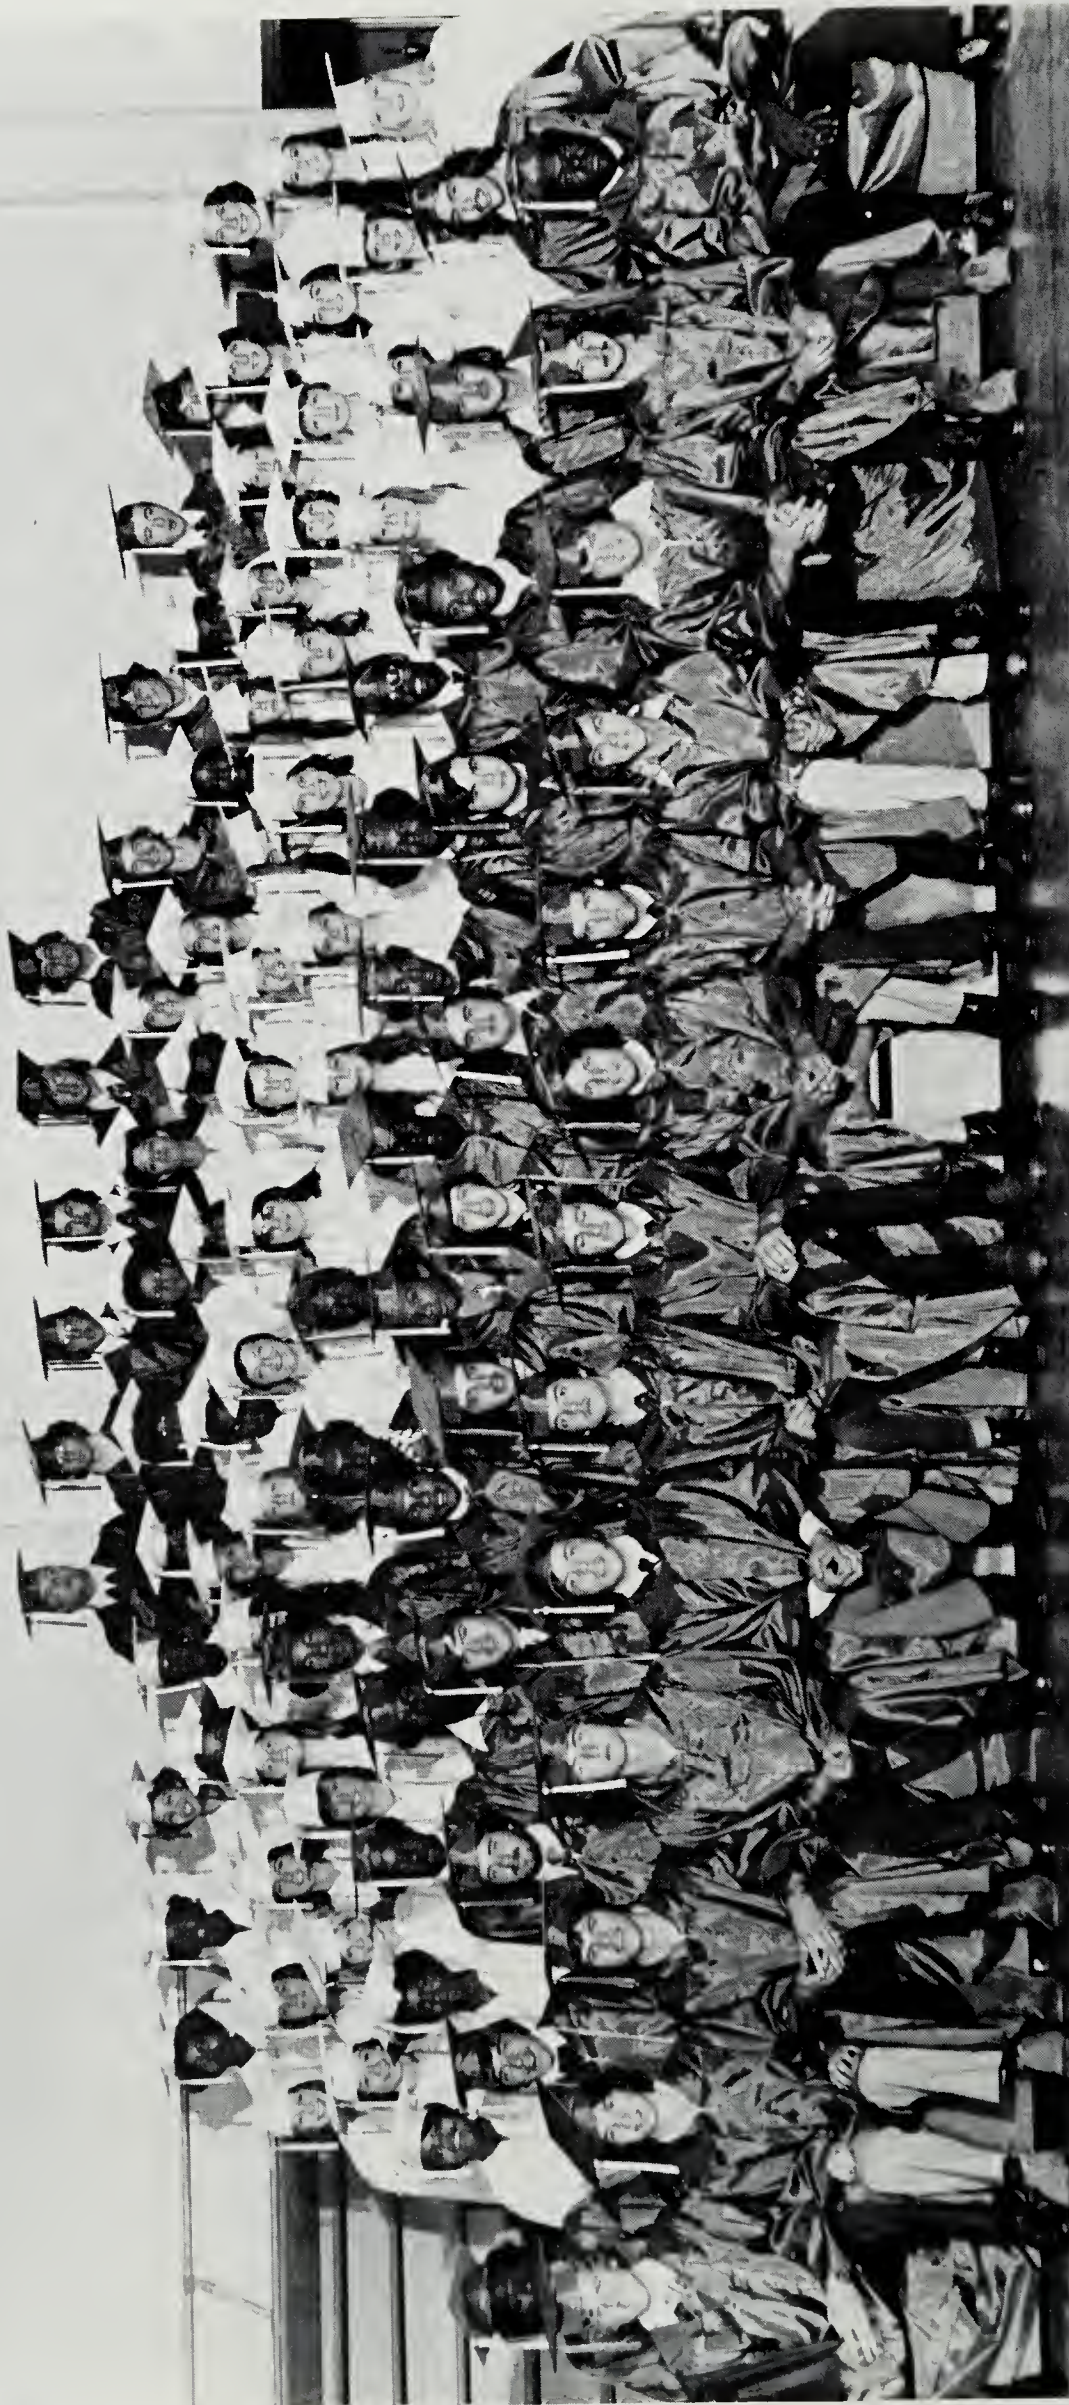

Then the fun started as the Seniors began delivering their "Last Will and Testament". Many students and teachers were left unusual and unwanted objects.

Following the assembly, Seniors spent the remainder of the day and evening at King Dominion.

GRADUATION 1976

June 8, Graduation Day, the day all the Seniors had looked forward to. Alas! amidst the joys of graduation were tears of joy and sadness, the thought of leaving and losing friends and a school family that had been so dear.

In spite of all this, the processional proceeded, each speaker left charges to the graduating class, and finally each student heard his or her name called for the last time and realized a new life was just beginning.

Mr. Frank Walling was named Mathews High School Nurse during this school term. He helped many of us with our aches and pains and he always had an ear to listen to whatever problems we had.

Mr. Walling also taught Proper Health Care to Home Economic and Physical Education classes as a part of their regular class work.
